EDUCATION

B.Tech in Chemical Engineering

Delhi Technological University

Aug 2021 - Jun 2025 | New Delhi, Delhi

CGPA: 8.8/10

Class XII

SCSD Sarvodaya Sec-9 Rohini

2020-21 | New Delhi, Delhi

Percentage: 94%

Class X

SCSD Sarvodaya Sec-9 Rohini

2018-19 | New Delhi, Delhi

Percentage: 91.2%

CODING PROFILES

- **LeetCode:** [keshavgarg_](#)
 - **CodeForces:** [keshavgarg_](#)
-

SKILLS

LANGUAGES

- **Experienced:** JavaScript, HTML
- **Intermediate:** C/C++, CSS
- **Familiar:** TypeScript

TECHNOLOGIES

- **Experienced:** React.js, Express.js, React Native, Tailwind CSS
- **Intermediate:** Redux, MongoDB
- **Familiar:** GraphQL, Docker

TOOLS

- Firebase
- Git
- AWS
- AppWrite

ACHIEVEMENTS

- 600+ Questions on LeetCode
- Rank 3 in Semester 3

PROFESSIONAL EXPERIENCE

Software Deployment Freelancer | BrandItUp
May 2023 | Remote

- Deployed agency website on a DigitalOcean Droplet, resulting in a 50% enhancement in content delivery speed and improved security through CloudFlare.
- Engineered and deployed a Contact form API solution using Express.js, handling 1K+ requests/day with no downtime.

PROJECTS

SplitEase | Trip Bill Splitting App

Apr 2023 – May 2023

- Tech Stack: React Native, Firebase, Tailwind
- Implemented real-time app notifications using Firebase Cloud Messaging, resulting in prompt delivery in less than 1s.
- Enhanced UI for smooth screen transitions, captivating animations, and fluid interactions.
- Utilized PieCharts for visually informative representations, resulting in a 40% improvement in expense tracking accuracy.
- Implemented Biometric Authentication, resulting in a 20% decrease in unauthorized access attempts.
- Used Redux for efficient state management, resulting in a 50% reduction in state-related bugs.
